Elegance from the Heart of the Aegean

Since 2009, Bella Wines has brought together expertise in viticulture and winemaking with modern production techniques to create distinctive wines of quality and character.

EXPLORE THE COLLECTION

Bella Wines

Founded in 2009 by Numan Özkan in Kemalpaşa, İzmir, Bella Wines specialises in viticulture and wine production. European equipment, an experienced production team and the guidance of French oenologist Jean-Luc Colin bring a boutique approach to modern winemaking.

Litres of annual production capacity

Our Vineyards

Our 300-decare estate in Aliağa, İzmir, grows Boğazkere, Shiraz, Merlot, Grenache and Chardonnay. We also work with contracted growers in the Aegean, Central Anatolia and Eastern Anatolia under a controlled production model, bringing the character of different terroirs into our wines.

The Rondini Collection

Three Colours. Three Characters. One Story. With elegant design and a balanced style, Rondini is a contemporary wine collection created to accompany memorable moments.

Rondini Narince

Lively, fresh and elegant. Suggested pairings include seafood, white cheeses and light salads.

Rondini Brut

A semi-sparkling white wine with delicate bubbles and an elegant aromatic character, created for special moments.

Oopal Brut

A distinctive black-and-gold identity brings a refined touch to celebrations and elegant tables.

Quality, elegance and a memorable story in every glass.
